Who is this research about, and who is funding it?

“abrdn Financial Fairness Trust” has asked Families Outside to learn from the experiences of families affected by prison to understand the financial cost to them. The aim of this research is to identify changes needed, and to share lessons learned for the benefit of families across Scotland and elsewhere in the UK.

If you would like to understand more about the study, please contact Briegen or you can email Families Outside on [support@familiesoutside.org.uk](mailto:support@familiesoutside.org.uk)

All interviews will be anonymous and undertaken in line with data protection regulations.
